Dated Shimla-9 the

Subject : Recommendations of State COVID Clinical Team

Sir/ Madam,

The State COVID Clinical team has made following recommendations that needs to be taken into pursuance:

1. Doctors at PHC should do the follow-up management of COVID 19 patients with comorbidities, who have been advised treatment at a higher level.
2. It is reiterated to all the concerned that Dexamethasone and LMWH should be given to moderate and severe patients with COVID-19 infection as they have shown benefits in terms of reduction in mortality in COVID-19 patients.

In this regard you are requested to take necessary steps at the earliest.

Yours faithfully,
